SUBJECT: TELEPHONE PREFIX MIGRATION

CalPERS telephone prefix 231 has been migrated to the CalPERS prefix of 795.

The 795-prefix change pertains to CalPERS telephone, Telecommunications Device for the Deaf (TTY), and fax numbers at the CalPERS headquarters facility located at 400 Q Street in Sacramento, California. The old numbers will be deactivated permanently within several months.

Please remember when faxing your Summary Report, Member and Employer Contributions (PERS-AESD-626) or health documents, the fax number will be 916-795-7901.

Please share this information with anyone within your organization who utilizes preprogrammed fax and TTY numbers.

We encourage you to continue utilizing our Employer Contact Center as your first point of contact with CalPERS. The Employer Contact Center was established to assist employers with telephone inquiries via one toll free number **888 CalPERS** (or **888-225-7377**). The toll free number is not affected by the prefix migration.
